N-Boost

NPK 8-2-2

N-Boost is our latest product to offer a fully organic, high nitrogen fertiliser which has been developed for natural plant growth.

SoilWorx products offer the ability to feed crops over the growing season whilst nourishing soil with high organic matter in each pellet.

Key benefits

- High in organic nitrogen
- Suitable for use in organic farming
- Safe to use and handle
- Kind to soil

Note: Not to be applied to edible parts of the crop.

*As N-Boost is a natural product, slight variations in analysis may occur. Figures given are average values.
